# FORWARD

The class of 1947 presents with pleasure this thirtieth edition of the Key. Through the panorama of persons, places, and events, we hope we have captured for you a living record of the past year.

In retrospect, we see the great period of adjustment taking place during our transitional period between war and peace. It has been a trying time as well as a happy, enjoyable one. Through all the changes of the war period, our "U" has stood high and we are proud to depict its progress within the covers of this book.

## **Dr. W. B. Zuker**

With gratitude and affection the class of 1947 is proud to dedicate this 30th edition of the Key to our professor, advisor, leader and friend, Dr. Zuker.

# SENIOR CLASS HISTORY

War and the accelerated program have done much to change the 1946 graduating class from what it started out to be in 1942. In fact, five out of about one hundred and twenty-five graduate in the year they were supposed to. Not too good an average, but not too bad, considering the circumstances. They are Betty Brouillard, Dorothy Biasi, John Baker, Jeanette Jones, and Yvonne (Wunderlich) Ohlsen.

Although our class has lost practically all of its original members doesn't mean that we haven't gained a few notables in the meantime.

Our officers for the year were Harold Lawrence, President; John Baker, Vice-President; Frances Hastings, Secretary-Treasurer; and Dorothy Biasi and Robert Von Oeyen, Student Council Members.

Many members of the class of 1946 have distinguished themselves in this last year of our college career. Seven members—John Baker, Dorothy Biasi, Opal Datisman, Luis DeArco, Frances Hastings, Mary Etta Host, and Bob Maston—were elected to Who's Who Among Students in American Universities and Colleges. Our Prexies include Opal Datisman, President of Y.W.C.A.; Helen Naney, President of A Cappella; Dorothy Biasi, President of Inter-Varsity; Yvonne Ohlsen, President of Omicron Mu; and Frances Hastings and Lorraine Uhlrich, presidents of their respective sororities, with Lorraine as President of Inter-Sorority Council.

Bob Maston has been keeping the fires of the Alpha Phi Omega, honorary dramatic fraternity, burning brightly until new members can be installed. Alpha Pi Omega, honorary scholastic fraternity, claims three seniors. They are Frances Hastings, Andrew Helmbold, and Harold Lawrence with Harold the president of that organization.

Returning veterans welcomed into the class during the year were Allen Clewell, John Dieter, Peter Giron, John Kanavas, Gordon Lindquist, Tom Melton, John Shimp, Jack Toomey, and Elvin Turner.

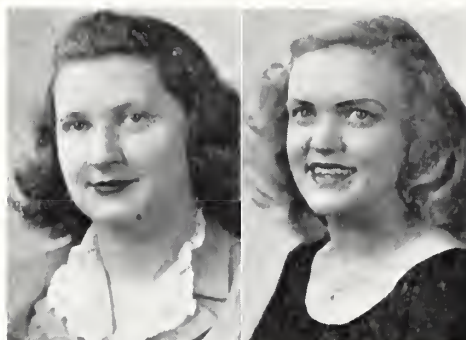

The seniors came to the foreground last fall when they received the award for the best decorations for homecoming. We had a miniature football field as a backdrop and to it were fastened cardboard figures engaged in an actual play. Paper footballs with the names of each of the boys on the Dubuque team adorned the walls; and life-size, stuffed figures, representing the members of the opposing team, lay here and there on the floor. The Commons door was covered with one huge football, above which were the cleverly decorated words, "Home—Come In."

Our busy year ended with the usual Commencement activities. We had a senior banquet, and the last week of school was fully occupied with exams, Baccalaureate service, Honors Convocation, Class Day, and Graduation Convocation.

With saddened hearts for leaving what had been, and hopeful faces looking toward what might be, we, the Class of 1946, bade fond adieu on June 7 to four years of work, study, play, pleasant companionships, and happy memories of good old U. of D.

## JUNIOR CLASS HISTORY

As we look back upon the class of freshies who entered these hallowed halls in the fall of 1943 we see many familiar female faces but as for men—not so plentiful! Uncle Sam has called our male classmates of '43 one by one until there remains but very few left. However, new members have joined our class and every quarter finds our girl-boy proportion a little better. Of course, we are also very happy to see new feminine faces in our class.

Ronald Miller fills the ticket as president this year with Juanita Beenken next in line as vice-president. June Goergen took over the work as secretary and Karlton Wagner as treasurer. Positions on the student council were filled by Ethel Wildermuth and Pearl Schmidt.

In sum total, we have a talented and active group. Shirley Rabe holds the honorable position as president of the Zetas and Rosemary Strienz leads the International Relations Club. Ronald Miller is president of the Student Council and Ethel Wildermuth is head of Severance. And what would girls basketball be without June Goergen?

Even though we have started out in abnormal college days, we've enjoyed every day of it. We're happy to see the returning veterans joining our ranks and are looking forward to one more year together before our college days are ended.

## SOPHOMORE CLASS HISTORY

"Cream of the Campus"—you might call us—or maybe "The Salt of the Earth" . . . Reduced in quantity to be sure (how many of those men in Navy blue bore the banner class of '48—not forgetting those who left all too willingly (?) to take their part in the post-war military service) but—our quality still reigns supreme. From our ranks have been chosen many leaders in campus life. For instance—

Betty Jones, the editor of our bi-monthly epistle, *The Cue*. Being a town student didn't hinder Betty from taking the most active part of the dashing editor.

Representing the sophomore class in another aspect are Virginia Cato and Marilyn Miller, members of the house-council. These girls and others are responsible for keeping the dorm at a dull roar (if that is at all possible!). It's a pretty big task, I've heard.

An outstanding event of this year was the crowning of the comely homecoming queen, Joyce Beeler, another member of the noble sophomore class. Joyce accepted her title very graciously. History repeated itself that day when the Spartans carried off another victory for dear old Alma Mater.

The activities of the sophomore class have been numerous and varied this year. The class has been represented in the athletic field, namely by basketball and football. Many students have participated in the music realm—chapel and A cappella choir, band and orchestra. The majority of the sophomore girls are active sorority members.

At the beginning of the year we chose as our officers the following students: Clarence Loats, president; Suzanne Spaulding, vice-president; Marilyn Beeler, secretary; Margaret Conant, treasurer. Orlando Fals-Borda and Joyce Heins were chosen as student council representatives.

With the passing of navy blue and the influx of civilian plaid, the year was kept from flowing uneventful at eventide.

## FRESHMEN CLASS HISTORY

On the fifth of September we descended upon the U—all one hundred sixty of us. Of course, the ration of girls and fellows was a bit disheartening, but the gals seemed to let the Navy fill the gaps for a while.

Freshmen Days were heralded by a roof shaking "Freshie" meeting Thursday, the twenty-seventh, at which our "dear" sophomore representatives gave us a preview of coming attractions. Our paper plates and kitty books were worn to a frazzle at the end of the week, but we must admit we came out of it all feeling like full-fledged members of the U. The boys were charming in their sweaters and skirts and, without hairpins, most of the girls looked like Veronica—or something.

Chosen to lead our class for the year were Clark Offner as president, assisted by vice-president Dorothy Grunenwald. Gertrude Stachour was elected to take care of the records with Philip Schneider handling the finances. "Trudy" also took over the latter job when Phil left the U.

We and the faculty initiated Freshman Parents' Day on the campus on Sunday, November 18. Our papas and mamas were invited to be guests of the U. that day, the main purpose being to give the faculty and parents an opportunity to become better acquainted. The parents registered in the Lounge at 10:00 a.m. and were escorted to church by their offspring. A banquet was held at the Commons at noon and open house and a reception in the afternoon. We all thoroughly enjoyed the day and feel that a fine tradition has been established.

We '49ers think we've made a good start in our college career and hope every year will be as busy and exciting as the one just past.

## SEMINARY HISTORY

The theological training of men for the ministry was begun in Dubuque in 1849 by the Rev. Jean Baptiste Madoulet, of the German Evangelical Church, later the first Presbyterian Church. In 1853 Adrian Van Vliet, Madoulet's successor, took two young men under his care to prepare them for the ministry, and formal theological training was begun. Later Dubuque became organically connected with the General Assembly of the Presbyterian Church and grew into the present seminary and College of Liberal Arts.

The Seminary maintains the standards of Christian doctrine and polity authorized by the General Assembly, but is so organized as to meet the ordination requirements of any evangelical church. It seeks to develop men of Christian character, deep devotion, sound scholarship, and practical skill.

The Seminary Fellowship is an organization composed of the Seminary students, which seeks, through extra-curricular activities, to carry out in a more informal way, the objectives of the administration and class room. The Fellowship sponsors speakers, dinners, retreats, inter-seminary fellowship recreation, and other activities.

Officers of the Fellowship during the fall and winter quarters, 1945-46, were: President, Albert Kunz; Vice-President, Merrill Harris; and Secretary-Treasurer, Mrs. Grace Wilson.

Officers elected for the spring quarter, 1946, to serve through the fall quarter are: President, Fred Koschmann; Vice-President, Keith Orr; and Secretary-Treasurer, Mrs. Doris Rubesh.

## STUDENT COUNCIL

The Student Council attempts to serve as a mediating body between faculty and students. When problems arise, they may be presented before the Council by any student. The group is also the chief promoter of special events.

During the year the Council directed and took part in various activities. At the Homecoming they took charge of the bonfire, the pep meeting, and the crowning of the queen. The sale of Christmas seals was sponsored by this group and many other drives were assisted by them. Many of our school parties and other social affairs were planned by the Council and the President's Reception in the spring proved one of their biggest affairs.

Officers for the year were Ronald Miller, President; Orlando Fals-Borda, Vice-President; Pearl Schmitt, Secretary; and Ethel Wildermuth, Treasurer.

*Second Row: Host, Wildermuth, Datisman  
First Row: Miller, Rabe, Goergen, Cato*

## HOUSE COUNCIL

Severance Hall Council is a self-governing body elected annually by the residents of the dormitory. The chief aim of the body is to make Severance as near a home for all girls as possible. In doing this, it is hoped that each individual will treasure her "dorm life" as one of the valuable experiences of college days.

The duties of the House Council are numerous and varied. Regular duties carried out by the Council this year were the enforcement of house rules, orientation of freshmen, and the promotion of various social activities.

Special events planned by the Council were a Halloween party, Valentine breakfast served in the parlor, all school parties, and a farewell party.

Officers for the year were Mary Etta Host, President; Ethel Wildermuth, Vice-President; Opal Datisman, Secretary; and Marilyn Miller, Treasurer.

*Second Row: Oak, Simison, Abels, Trossi, Bergman, Wagner, Prage

## CHRISTIAN SERVICE FELLOWSHIP

In the fifth year of its existence, the Christian Service Fellowship has once more completed a successful year. Forty members were included in the group who are preparing for professional Christian service.

The aims of this organization are to foster fellowship among students who intend to devote their lives to Christian service; to provide discussions of the work of the Christian service worker not fully covered in class or texts; to guide and inspire members with a sense of the vocational value of the educational ministry of the church; and to cultivate a fervent spirit and desire to live in the way of the Master Teacher.

Officers for the year were Marilyn Miller, President; Ruth Fowler, Vice-President; Ethel Wildermuth, Secretary-Treasurer. Sponsors for the Fellowship are Mr. and Mrs. Thomas Stone.

Bi-monthly meetings were held throughout the year combining worship, social, and educational programs. The group was privileged to hear several outstanding leaders in the field of religious education and value was derived from each and every meeting.

*Second Row: Maston, Manning.  
First Row: Goergen, Spaulding, Biasi, Sward.*

## INTER-VARSITY FELLOWSHIP

In the spring of 1945 a new Fellowship was formed on the campus—the Inter-Varsity Christian Fellowship. This international organization is the center around which the religious activities of the school revolve. The daily prayer meeting held at 5:00 in the Seminary Chapel is the sustaining force of the group.

Members of the Inter-Varsity Christian Fellowship endeavor to better understand the Christian life and live it day by day. They supervise the Wednesday evening vesper service and also the meetings with missionaries and other Christian leaders visiting our campus. One such outstanding visiting leader was C. Stacy Woods, general secretary of the I.V.C.F. for the United States and Canada.

Dorothy Biasi was president of the group for the past year; Robert Maston, Vice-President; June Goergen, Secretary; Margaret Sward, Mission Secretary; Herbert Manning, Publicity Chairman; and Suzanne Spaulding, Social Chairman. Dr. Smith is the faculty adviser for the group, giving inspiring messages and unlimited guidance.

## L. S. A.

The Lutheran Students Association is an organization consisting of Lutheran students from the University of Dubuque, Finley Hospital and Wartburg Seminary.

The group was organized October 11, 1945, at the Holy Trinity Mission. Officers elected were Pauline Tobiason, President; Margaret Buckler, Vice-President; Ray B. Ensign, Secretary ;and Donald Christensen, Treasurer.

Some of the chief aims of the L.S.A. are to strengthen and sustain Christian students in their faith through the use of the Bible, privately and in groups, through prayer, through regular church attendance, and through frequent reception of Holy Communion to seek to win all students to full commitment to Christ; and to afford the opportunity for cultivating friendships and social life on a Christian level.

A plan set up for the entire year consisted of discussions on topics of interest to the members. The topics were divided into two groups: the first dealing with family life and the second with church life. The speakers chosen have been outstanding men in their fields.

Social meetings were held every other month. Such meetings offered students of the different schools a chance to become acquainted and join in fellowship with each other.

Y. W. C. A. CABINET

*Left to Right:* Streinz, Schmitt, Miss McAllister, Johnston, Conant, Spaulding, Datisman, Wildermuth, Fowler, Westphal, Diggs, Sward, Rabe, Goergen.

## Y. W. C. A.

How well we remember that famous theme song from the fun-filled, eventful week-end the cabinet spent at retreat at Stampfer's cottage. The cabinet consists of various chairmen who are as follows: Margaret Sward, Worship; Shirley Rabe, Membership; Jane Goergen, Music; Pearl Schmitt, Publicity; Virginia Diggs, Business Manager; Suzanne Spaulding, Recreation; Phyllis Johnston, Social; Ruth Fowler, Service; and Rosemary Strienz, Historian.

At the head of the cabinet are Opal Datisman, President; Ethel Wildermuth, Vice-President; Margaret Conant, Secretary; and Mary Ann Westphal, Treasurer.

Back home from the retreat we began to inaugurate our plans for the year for all Y.W.C.A. girls on campus. We numbered one hundred eighteen this year and our activities were numerous. First, of course, came our candlelight recognition service in the chapel.

Then there were conferences; sunshine brought into the lives of others with Pilgrim dolls at Thanksgiving, colorful stuffed toys at Christmas, valentines, and Easter eggs; our impressive all-school Christmas banquet; the W.S.S.F. drive; the international relations banquet; all-school parties; May breakfast; Mother-Daughter tea; May fete; and countless other outstanding events.

Yes, we have had a good time in Y.W.C.A. this year. We appreciate the help of Miss McAllister, Mrs. Veneklasen, Mrs. Fox, and Mrs. Welch. We are also grateful to our cabinet for planning all our events. We tried to learn, plan, and work "in order to realize a full and creative life" for all girls on the campus—and we think we have succeeded.

*Third Row:* Miss Hagen, Monteith, Ukena, Bender, Grunenwald, Koch, Kohnke, Bogue, Rust, Miller, Clifton, Wildermuth, Rabe, Pancratz, Boyer, Jong, Miss Ratcliff.

## OMICRON MU

Omicron Mu, the Home Economics Club, was established on our campus in 1941. Since this time its members have gained both socially and educationally from various programs of the year.

Club activities of the past year have included redecoration of the clothing laboratory, table etiquette and table service demonstrations, consumer speaks program, a smorgasbord, the International Relations luncheon, a sweetheart dinner, campus style show, Easter party, and a mock wedding.

Members from our club have represented Dubuque University in conferences and meetings at Des Moines, Iowa City, and Chicago, and have presented a great deal of interesting material to our local club.

Officers for the year were Yvonne Ohlsen, President; Mary Ann Westphal, Vice-President; Una Adams, Secretary; Virginia Hall, Treasurer; and Phyllis Johnston, Reporter and Historian. Miss Hagen and Miss Ratcliff served as advisers of the group.

ROBERT MASTON

## ALPHA PSI OMEGA

Our Delta Zeta chapter of the national honorary dramatic fraternity, though an inactive organization at the present time, is the sponsor of the Purple Masque. This group was organized to present an opportunity for interested students to work on and about the stage, and to be the group from which future members of Alpha Psi Omega would be chosen.

During the few weeks before Mr. Eyssen, who was director of all dramatic activities on the campus, left to take a position elsewhere, Alpha Psi Omega sponsored and produced the full length production—*Midsummer's Night Dream*.

The Purple Masque, consisting of pupils with strong interests in dramatics, has had a number of interesting meetings this year. Such meetings have included dramatic readings, reviews of plays, social events, and many other interesting features.

Robert Maston is keeping the light of Alpha Psi Omega burning until new members have been installed. Leading the Purple Masque are Mary Gayle Eadie, President; Dorothy Galbreath, Secretary; and Kenneth Lampe, Treasurer.

Under the able direction of Mr. Edwin Gibson the plays *The Mollusc* and *Merchant of Venice* have been presented by the dramatic department this year and the high entertainment which they furnished proves that the "Little Theatre" is still doing big things.

## WHO'S WHO

Each year a number of upperclassmen are nominated to be included in the book *Who's Who Among Students in American Universities and Colleges*. This year six seniors and three juniors were chosen.

To be included in this select group, a student must have a combination of character, leadership, scholarship, and potentialities of future usefulness in business and society.

This year's nominees were Dorothy Biasi, Dubuque, Iowa; Ronald Miller, State Center, Iowa; John Baker, Cedar Rapids, Iowa; Mary Etta Host, Apple River, Illinois; Robert Maston, Wilmette, Illinois; Opal Datisman, Waupeton, Iowa; Pearl Schmitt, Dubuque, Iowa; Frances Hastings, Winslow, Iowa; and Luis DeArco, Panama.

The staff extends heartiest congratulations to each member of this outstanding group of students.

*Second Row: Lawrence, Hembold.  
First Row: Schmitt, Streinz, Hastings.*

## ALPHA PI OMEGA

The purpose of this Fraternity is first of all to promote and foster high scholarship; and secondly, to promote and foster Christian character, leadership and purposefulness in and among the students of the University of Dubuque while in the College, in the Seminary, and after graduation.

Those who attain membership are carefully selected by a committee composed of the Dean of the College, the Dean of Women, the President of the Student Council, a member of the Fraternity, and an officer of the sophomore class. Besides meeting qualifications of scholarship, Christian life, personal character, leadership ability, and other factors, the candidates for membership must have attained at least junior standing in the College of Liberal Arts, and they must have indicated that intention to graduate from the University of Dubuque. The candidates must also have no failures on their academic records, and they must have maintained an average grade of "B."

It is counted a high honor to be selected a member of the Fraternity; and those who have been chosen are proud to display their Greek letter keys, bearing the seal of the University of Dubuque.

## PAN - AMERICAN CLUB

This club, which started in 1944 with fifteen members, has grown to be one of the biggest on the campus. Not only does the Pan-American Club have quantity, but also quality. It is one of the most active groups functioning and its members have developed a strong sense of responsibility toward the "U" and toward the entire continent.

As is stated in the constitution, the purpose of the club is "to develop a spirit of understanding and good will among all the peoples of the neighborhood of nations in the western hemisphere; to promote an interchange of ideas on the culture and inspiration of the Pan-American countries." The club has not only fulfilled this purpose, but also has been one of the most important factors in restoring and developing school spirit in the University.

The club holds bi-monthly meetings augmented by specials very frequently. It has organized debates, concerts, parties, fiestas, programs, and other worth-while activities which have proved very successful.

Officers elected for the year were Orlando Fals-Borda, president; Robert Maston, vice-president; Mary Lou Rust, secretary; Ed Brattrud, treasurer; and Roberto Rodriguez, guard.

The club is privileged to have among its members young people from Colombia, Mexico, Nicaragua, Panama, Puerto Rico, Japan, and China.

*Second Row: Davis, Nunez, Lampe, Emery, Conant, Jong.  
First Row: Dr. Fox, Streinz, Jones, Creswick, Jones, Schmitt.*

## INTERNATIONAL RELATIONS CLUB

The International Relations Club is of interest to many students because it deals with phases of life outside education. Bi-monthly meetings are held and are of a lecture-discussion type.

Programs this year have been varied—those of the most interest were ones on compulsory military training, a discussion of India by Dr. Warmingham, and a talk on China by Dr. Fox. Group discussions were held on the atomic bomb and other pertinent subjects.

The basic purpose of the International Relations Club is to create interest in international affairs and for this reason there is no fixed membership. Everyone who is interested in any of the matters presented is welcome to attend the meetings.

The club has two officers, namely, president, and program chairman. Rosemary Streinz filled the former position and Pearl Schmitt the latter. Advisor for the group was Dr. Hertz.

# ACTIVITIES

## A CAPPELLA CHOIR

This year marks the twentieth anniversary of this outstanding group inasmuch as the first A Cappella Choir was organized by Dr. Noel J. Logan in 1925. The traditions established by Dr. Logan were carried on by Mr. Carl Gutekunst until Dr. Logan returned to the University in 1935. Since Dr. Logan left the campus in 1943, the choir has been under the direction of Mr. William Wheatly and for the last two years Mr. William G. Rozeboom.

During these twenty years the choir has travelled through the entire middle west and made two trips to New York City. The group has sung in the finest churches in the United States and received favorable criticism from the music-lovers who heard it.

This year for the first time the choir was composed entirely of women's voices. The group did four-part work with eight voices in each section thus making a total of thirty-two members. Not only the best in voices is found in A Cappella, but the best in leaders is found in the person of Mr. Rozeboom.

The annual choir tour was discontinued during the war, but was resumed again this year. The choir spent a week during the month of April touring Iowa besides giving programs on the campus and in Dubuque and vicinity. Not only fine choral literature, but also vocal solos and duets and violin solos were included in the programs which were presented.

Officers elected by the members this year were Helen Naney, president; Opal Datisman, vice-president; Dorothy Ukena, property manager; Gertrude Stachour, secretary; and Margaret Conant, librarian. Patricia Naney was accompanist.

## ORCHESTRA

The thundering tympani, the blaring brass, the melodious strings—such are the sounds emigrating from Peters Commons every Tuesday evening. The University Symphony Orchestra is in the midst of its weekly rehearsal.

Under the direction of Mr. Ferdinand DiTella the orchestra, consisting of the university students and talented townspeople, has had a very eventful year. Its concert numbers ranged from the informal peppy tunes from "Oklahoma" to the dignified classicism of Schubert's "Unfinished Symphony."

Highlighting the Advent season was the orchestra's accompaniment of Handel's "Messiah." The musicians, attired in formal dress, truly were an impressive sight.

The first concert was presented in January featuring a violin trio, Jeanette Kolls, Marian Parker, and Ruth Hillis playing "The Vivaldi Concerto for Three Violins" and Marilyn Jones whose oboe solo was "Winters' Passed" by Barlow. Both selections were accompanied by the orchestra.

Among the compositions chosen for its annual spring concert were "Symphony No. 5" by Beethoven, "Espana Rapsody" by Chabrier, and "Rapsody in Blue" by George Gershwin. Soloist for the last selection was Mrs. F. DiTella.

Chosen from the ranks of the orchestra were small musical groups. The "Salon Orchestra" presented programs at the Parents' Day dinner, the Navy Farewell Dinner, and the Homecoming Dinner. The "String Quartette" performed at the Faculty Christmas Party and the "String Trio" played at numerous civic events. Also representing the orchestra at civic and church programs were soloists chosen by Mr. DiTella.

*Third Row:* Bendtsen, Palas, Hill, Jones.

*Second Row:* Jaynes, Hueneke, Hamilton, Siebels, Wilson, Miller, Bender, Koch

*First Row:* Kregel, Johnson, Bogue, Buss, Roc, Morse, Fowler, Brown, Mccum, Bevan, Luense, Miss McAllister.

## CHAPEL CHOIR

The chapel choir consists of twenty-one voices under the able direction of Miss McAllister. The choir has not only been a great help during chapel services but it has also made a place for itself in other activities.

The girls sang at Baccalaureate exercises, on "U Revue," and at Christmas time rendered beautiful carols to their audiences. During the Y.W.C.A. Christmas banquet in Peters Commons, they provided the music for the program and for the pageant background.

During the chapel hour the choir have not only presented specials but have also arranged entire programs of religious music. They have added a great deal to our hour of worship.

*Left to Right:* Datisman, Elliott, Beeler, P. Naney, H. Naney, Stachour, Jones, Biasi, Goergen, Ukena, Smith, Hillis, Schmidt.

## CAMPUS SINGERS

This group includes the most select group of voices on the campus. Known also as the triple trio, this newly organized girls' vocal ensemble provides the very best in entertainment.

The romantic, rhythmic notes of "Neopolitan Nights," the haunting loveliness of "By the Waters of Minnetonka," the lyrical beauty of "Lover, Come Back to Me"—these were highlights in a program of music that thrilled audiences both on and off campus.

Professor Roseboom directs the campus singers and deserves a great deal of praise for the popularity of the group. Members of this talented organization are Helen Naney, Joyce Beeler, Jean Elliott, Opal Datisman, Phylliss Schmidt, Ruth Hillis, Gladys Ann Smith, Dorothy Ukena, Dorothy Biasi, June Goergen, Jeanette Jones, and Gertrude Stachour. Patricia Naney served as accompanist.

## VESPERS

Vesper services are held twice each week on the campus of the University of Dubuque. On Sunday and Wednesday nights interested students gather in the Jacob Conzett Lounge for a worship hour.

Sunday evening vespers are under the direction of Karlton Wagner and many valuable and worthwhile speakers have been presented during the past year. Outstanding leaders visiting the campus have been asked to take part in these services and interested listeners have gathered much from their meditations.

The mid-week worship service has also proved to be an indispensable activity on the campus. Sponsored by the Inter-Varsity Christian Fellowship, this meeting gives opportunity for student expression of their Christian experiences and is a source of guidance from faculty and visiting Christian leaders on the application of Christian ideals in our everyday life. One of the outstanding events this past year was a series of Bible Studies on the Book of the Revelation under the able instruction of Dean C. Vin White.

Always aiming at the needs of the student body, these services are vital, inspirational, and a constant help to those who are in attendance.

*Left to Right: Wagner, Dr. Campbell, Dr. George, Miller, Datisman.*

## SPIRITUAL EMPHASIS WEEK

During our busy time on the campus of the University of Dubuque we pause each year for a week at which time we rethink our relationship with our Heavenly Father through His Son and our Saviour Jesus Christ. This week of emphasis on things spiritual has had a two-fold purpose since its beginning. First, students and faculty would be presented directly with the Person Jesus Christ, His death and resurrection by which believers are promised life now and hereafter, and second, that the students and faculty who have, by His grace, been included in the number redeemed, are presented with the challenge to live for Him daily by our walk with Him, and our witness on His behalf.

The week of February 11-15 was observed this year under the leadership of Dr. E. Fay Campbell of our own Presbyterian Board. Dr. Campbell has spent many years in counselling young people and during the past twenty-one years he was the general secretary of Dwight Hall, the historic Christian Association at Yale University.

Each morning and evening Dr. Campbell addressed the faculty and students. After the evening services, to which the public was invited, discussion and prayer with the leader was held in Jacob Conzett Lounge.

At lunch and dinner groups, faculty and students had the opportunity of meeting Dr. Campbell and during the day opportunity was given for private conferences for those students who desired them.

# SPORTS

"— COLLEGE OF CHAMPIONS —"

Usually the forgotten faction on an athletic teams are the coaches, who in reality play a large role in keeping up the spirit of the players. This year with the "manpower shortage" still very much in evidence, Mr. Mercer and Mr. Peterson have worked untiringly at their respective jobs and deserve a great deal of credit for their winning teams.

Praise is also due our cheerleaders of the past year who did much in bolstering school pep at all games. Members of this group of loyal Spartan fans were "Teta" Maurer, Joyce and Joan Heins, Ruth Fowler, Margaret Conant and LaVonne Morse.

# FOOTBALL

The fall of '45 found football again on our campus after being dropped during the war years. Practice opened in September under the very capable coaching of Mr. Mercer. Not only was Moco faced with the directing of two teams, navy and civilian, but inavailability of equipment, difficulty in securing a schedule, and "man shortage" for the civilian lineup would have turned a less competent coach's hair gray.

The first civilian game was played October 6 at Fayette, Iowa. The Upper Iowa squad was out to win, the spirit was high, and the game hard—but the Spartans came through. Our boys were up against a tough line and an offense of long tricky passes. At the half we were in the cellar 6-0 but through the last two quarters the now famous Johnson and Oleson combination "in" and "out" kept the Spartans running ends and won a high spirited, hard fought, well-earned 18-6 victory. Schneider and Sperry in the backfield, as well as Warkentin in the line, all played outstanding ball.

The Spartans bowed for the first time in eighteen contests on October 12 to the Wartburg eleven. The game was hard with the visitors monopolizing the first 13-0. Despite their successful defense of the second half, Dubuque was unable to tie the score and the only count was a touchdown through a fast recovery of a pass by Johnson and a reported 75 yard run. To some observers the distance appeared to be nearer 35 yards but the count was undisputed, 13-6.

On Saturday, October 13, the Dubuque Spartans again suffered defeat, this time from the Central squad. Because of injuries sustained from other games, fresh wounds which eliminated the hard hitting drives of Everest at the half, and a chance bit of fortune for the opponents allowing them a 45-yard run in the last thirty seconds of play for the winning touchdown, the second game of the season and in the last nineteen starts was dropped. However, it was a hard fought, close game and the excellent work of the entire team and outstanding performance of Everest, Legg, and Brack were all consistent with the Spartan standards of hard, clean athletics.

Homecoming, October 20, saw a good, nippy football day with a strong cross wind, an eager crowd of alumni and fans, a determined coach and squad facing an opponent who was all out for victory after the defeat earlier in the season. The boys from Fayette were on their toes every minute ready with those fake passes and end runs and facing our driving backs with an eight man line. The half saw two scoreless, but determined squads plotting strategy for points. Moc's boys went back to try long passes around that reinforced line and come through with a 19-0 victory for an enthusiastic homecoming crowd. Outstanding performance was turned in by Thompson, Brooks and Schneider and by Sperry until knocked out of the game.

# TRACK

## FALL TRACK

Despite the limited schedule, Coach Peterson's track team came through to take the Iowa Conference heat at Loras Stadium with thirteen firsts of a possible seventeen and racking ninety-seven points, nine more than the four other entries combined.

Anderson won firsts in the 100 and 220 yard dashes, the javelin throw, and the broad jump, and was a member of the winning 880 yard relay team. The 440 was won by Abbott, low hurdles by Erickson, mile relay by McWilliams. Tagg, Hill, and Abbot, high hurdles by Legg, 880 by Rullifson and pole vault by Nack. Moster and Horecka both took two mile as did Sunstedt and Urban the mile.

## SPRING TRACK

Only two lettermen were on hand for spring track which made it necessary for Coach Peterson to rebuild an entirely new team. The two lettermen returning to the Spartan cinder paths were Bruce Freeman and Jack Dieter.

The team made admirable attempts at Cedar Falls, in a meet at Iowa State Teacher's College and also at Des Moines in the Drake Relays. No top honors were won, however. The boys then journeyed to Simpson College at Indianola and participated in a two day conference there. Freeman was outstanding there, winning first in the shot, first in the discus, and second in the javelin. Sperry qualified for the 100 yard dash by taking third in the first day of the meet but failed to place in the finals. Other winnings included LeMar Jones, first in two-mile; Truman Bergstresser, second in the 440; John LaShorne, second in the half mile. The Spartans also placed fourth in the 880 relay. Members of this team were Tom Dunlap, Truman Bergstresser, Bruce Freeman, and Willis Sperry.

# BASKETBALL

Despite a tough schedule, late entries, and numerous injuries, Coach Mercer produced a team this year that appeared "cagy" indeed. Several of the boys faced college competition for the first time while a number of veterans of "42" came back after service with Uncle Sam. The squad was composed of Jones, Thompson, Droullard, Gantenbein, Sellergren, Sperry, Gillis, Christensen, Martin, Brooks, Rhode, Offner, Head, Chesterman and Dunlap.

*Second Row:* Brouillard, Head, Strief, Ireland, Willemssen, Ohlsen, Buss.  
*First Row:* Goergen, Hutchins, Spence, Davenport.

Not to be outclassed by the Spartans, the Spartanettes, under the able hand of Pete Peterson, lined up a schedule and came through with four wins and one loss.

With more guards than forwards, Coach Peterson often switched his guards down to forward positions to give the audience a laugh and more than likely to cool the forwards down.

The toughest game and only defeat scored against the Spartanettes was the first encounter with Keller Fruit Growers. Gladys Sellergren, star forward of the Dubuque six, slipped in nine points to be top scorer for the "U" team that night. Gladys also took top honors for being high point girl with June Goergen in second place.

# REMEMBER WHEN . . .

we arrived on the campus last fall? Back again for another year of study, work, and especially fun! Of course, first days are always hectic. Trunks arrive; trunks don't arrive; then when they do finally come, I realize that I've forgotten to pack the thing I need most—my brains! Oh, dear, what to do first. My own advisor isn't in his office now. Oh, there he is surrounded by all those greenies. My schedule now—"Conflicts?" you say. "Oh, my, never." I haven't any schedule yet—but just wait. Spanish and English do not jive, so English it shall be. My chem lab disconnects my days for physics lab. Oh well, my advisor's worry. Didja notice that new crop of gray hair he has?

Emerging triumphantly from his office, I charge down the hall carrying my victorious banner—my schedule with no conflicts. A voice (mightily amplified) from behind bursts forth with, "Hey, you Frosh, Button!"

Indignantly, I turn around and retort in kind, "I'm no Frosh. I know my way around this joint. Do *you*?" Then whom do I see? Yup! You guessed it—it was me ol' pal from way back when . . . Of course, I mean last year. What a grand reunion. Right then—right there.

Paper plates, baby bottles, pin curls on the men . . . oh, goodness, yes . . . MEN . . . for this year we have a fair sized representation of males once again. And just who could possibly forget Freshmen Days?

"What have you there, little Frosh?" A piece of nice, juicy pie without any eating utensils. And even hands behind your back? Oh

messy days,—some people just don't have a heart!

But along with the bad comes the good. And who didn't enjoy themselves at the President's Reception? Yep, that prexy is a mighty fine fellow—we'll always remember that. Only thing wrong with the reception was that Clark didn't get enough to eat—oh, well, eight cookies is enough for anybody.

A new day! Freshman Parents' Day with all of its hustle and bustle takes its place—on our campus. Great plans are made for all the mamas and papas who are lucky enough to visit their little off-springs. But what if mother becomes too involved in conversation and discovers that I sit and dream and write such material as this when I should be doing my math or physics, then woe is me!

With the coming of fall we find the student body donning their best school spirit and there we all are yelling our hearts out at the football games. 'Twas worth it though. After all, those Spartan heels trounced a good many of our opponents.

And remember our homecoming? —As if any of us could forget! The pep rally and blazing bonfire started the ball rolling on Friday night. The scene was laid at Chalmers' Field of course. We "olders" remember it as being Kane Heights but 'twas renamed in honor of Judge John Chalmers at graduation in '45.

The pep rally was so exciting and invigorating that night that my 3 V's lasted for the entire snake dance. But I'm still wondering if Bob Maston ever got unwound from all those twists and curves he led us through. His unmerciful winding around trees, houses, people, or what have

you, nearly finished some of the weaker members. In fact, wasn't that you in the car driving alongside, Ronnie?

And remember when we hit Main Street! Well, even if you do forget I'm sure the officers won't. And the surprised look on the customers and sales clerks faces in Kresge's when we came scrambling through. I'm sure they were almost ready to call—well, you know who.

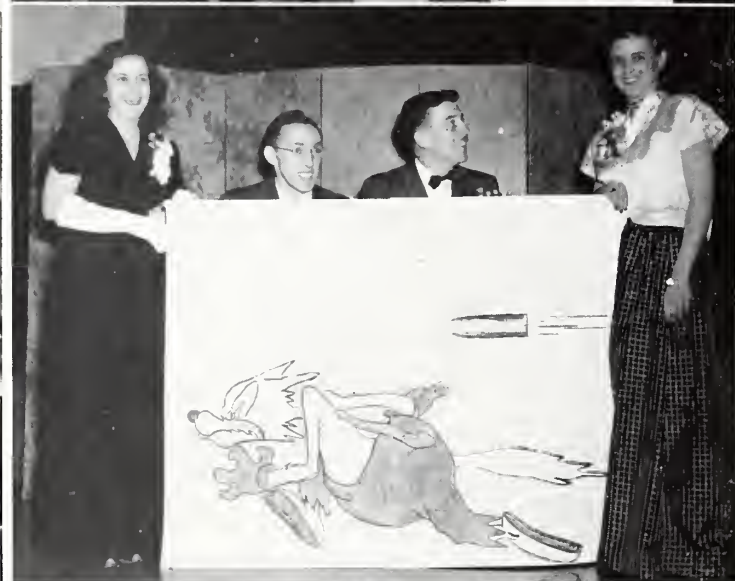

Course our best voices weren't used for walking, running, and how-ever else we managed to proceed. They were saved for the lusty cheers which arose from the corner of Eighth and Main. But were our efforts in vain?—Even though I was still tired, breathless, and voiceless the next day, a few "squeaks" burst forth when our Spartans proudly carried off the victory over Upper Iowa.

Guess 'twould be only fair to mention all our gala homecoming decorations. Being a loyal member of the junior class, I might be overstepping when I'd judge the gym as having been the cleverest, neatest, and best decorated building on the campus. And I'm positive I heard one of the judges speaking of an appointment with the optometrist.

Anyhow, something slipped and the seniors proudly walked off with first place. (That's one thing we'll try not to remember.)

Queen of the day was Joyce Beeler and what a queen! Sure doesn't take Joyce long to draw whistles from the male section. Course we gals think she's pretty much okay too.

Gee, just like home. Yep, even white tablecloths are back at the Commons again. We've traveled a long ways from our "chow line"

during navy days. (Course there was a compensation with their being here also.) Now our worry of getting a seat only to discover we have forgotten our implements of war for battle with the elements is over. Only worry that confronts us now is getting the seat! Course we do realize that certain waitresses have to have their "specials" at the head of the table.

Course not all our extra pounds come from Peters Commons. Those "concoctions" cooked up in Severance Kitchenette may not be so appealing to the eye but they *do* taste good. (Well, not so bad anyway.) And it is good practice for—well, just ask Fowler—I do believe she has some inside information.

We also recall vividly our rallies and conventions we've been a part of this year. Course it bothers people like Swalve and Loats to take time off for anything when it happens to be the middle of an exciting ping pong game. But, hey, it's Beenken that we should be looking for in connection with ping pong. The one and only champ of '46! "'Twas a cinch" (quote Gilbert).

With the coming of winter and the regular basketball season, what could be more appropriate than for my thoughts to turn to — No, No! Not love. But to my love for a good basketball game. Once more the gym is a bee-hive of activity under Coach Mercer. By the way, we wonder if Drouillard ever found that missing tooth.

Still another event remaining on our memory list is the veteran's dance. Who says our new fellows don't have a dash of zip and zest behind them! And that's not all they have! The Justmans stole the

show on the dance floor without a doubt. Muttered a shy little coed in the corner, "Oh, to be able to do that one."

And need I ask you to remember Hell Day? Comes a bold response, "Lay off that sore subject"—Come to think about it, I imagine it is a pretty sore one for the "A's" especially. 'Twas all in fun boys!

Now the girls were very lenient with poor, innocent pledges this year. After all, we don't mind scrubbing the Goats, do we Dorothy? And it isn't every day that you have a chance to wear a grass skirt or bathing suit—Darn it! Course we must admit that even large pillows might be a little uncomfortable before the day is over.

Not only do we remember outstanding events, but we also wonder about some of them a great deal. For instance, we wonder if Tom Dunlap ever did find a "husband." And does anyone happen to know if Ray Emery collected a reward for the missing article he found? And who threw the eggs when the "A's" serenaded Severance girls at 5:00 a. m.?—Ah yes, sweet mystery!

Thinking back over the past year, I do believe I could write an entire book entitled "Remember When." But all good things must come to an end and that is exactly what happened to our school year. Graduation came all too quickly and the time to say goodbye was at hand.

The year now lies behind us but its memories remain with us always. So sit back, relax, and "remember when" you were a part of what now constitutes our precious memories of U. of D. in '45 and '46.

Since its very beginning, in 1894, this store has always sought the best for its clientele and has maintained a policy of satisfactory service to all.

The inward urge, each year, to make it better and of more service to the community has resulted in the upbuilding of a great retail institution—one which is conceded as being the largest department store in Iowa.

Diligence, perseverance and straightforwardness count equally as well in business as in school life.

# IN APPRECIATION

On behalf of the 1947 Key staff, we take this opportunity to express our appreciation for those who have assisted in the compilation of this annual.

Our deepest feeling of gratitude goes to Mrs. Stone, Dr. Zuker, and Dr. George for their untiring efforts in aiding the staff.

Our photographer, Hruska, has given us the finest co-operation throughout the year and it is with the greatest of pleasure we extend to him a big "Thank You."

For Younkers Engravers we also have a sincere feeling of gratitude. They have given generous aid in the technical production of our annual which we are truly thankful for.

To the Telegraph-Herald we are deeply indebted for the splendid work they have done in printing our book. We are indeed grateful for the high degree of cooperation in the innumerable details of outlining the book and seeing it through the press.

Our advertisers, the merchants and professional men of this city, have participated in a very concrete way in the production of the annual and the staff appreciates immensely their assistance. May we always remember to show our appreciation through our patronage.

We can but hope that these pages have accomplished the purpose for which they were intended and that they will remain with us as cherished mementoes of the past year. We are deeply regretful that the returning veterans, numbering well over a hundred, arrived on our campus too late this spring to be included in this edition. We will remember their presence among us, however, and we do welcome them back.

In closing, we wish to thank all others who have assisted in any way with this publication. We sincerely hope we have snapped an adequate picture of the year just past.

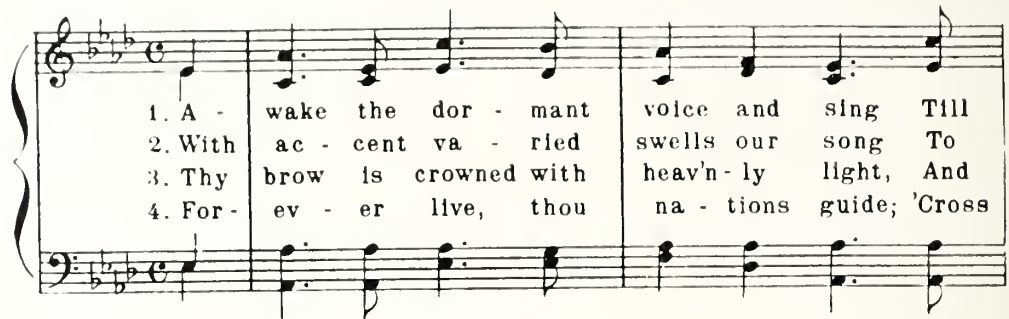

Appreciatively,

*Ethel Wildermuth*  
*Ronald Miller*
